MESSAGE FROM THE DEAN

Dr. G. VENKATESWARA RAO
DEAN & PRINCIPAL

“

I am delighted to bring greetings in this college periodical. We are entering an era where dentists have the science, technology, and skills to manage their patients' oral health more effectively than ever before. To keep up with the changing world, we are adopting new, innovative and creative strategies and models. As a team, we focus on growth and sustainable development to offer an excellent education for the students as well as deliver modernized, enhanced, and personalized treatments for the patients. I urge everyone to be committed to exceptional service, being responsive to students' individual needs by providing consistent, high quality, timely guidance, services, and supports through knowledgeable, well-informed engaging programs.

”

CAMPS

JAN - JUN 2022

Department of Public Health Dentistry has conducted a total of 16 camps in the period between January to June 2022. These camps provide screening as well as treatment for oral diseases in rural as well as urban areas in and around Khammam.

The objective behind such programs is to make the dental care facilities available to the masses & needy people, to whom these services are not available at approachable and affordable standards.
